

# 3rd Annual Full Court Press Foundation Golf Tournament

## Full Court Press Mission Statement

A community-based foundation that will provide services integrated in a comprehensive fashion and help underserved youth develop and grow as prospering citizens in our community.

Keith Edmonson, a former San Antonio Spur, has successfully coordinated at-cost and free basketball camps for local youth since 1995. In June of 2003, Mr. Edmonson established Full Court Press Foundation to formalize and expand the programs to children with little or no resources. Through the organized sports theme, FCPF is now one of the mediums by which youth will improve academically and socially. The objective of FCPF is to focus on making a difference in the lives of our youth and personally guide them through basic life management skills promoting growth and development of prosperous citizens.
